留学中国 Study Abroad Program in China

Please note, the Program fee, can be paid in various ways by affiliated schools or students or a combination of both. G-MEO looks forward to working with your institution on developing a billing agreement that best suits your students' needs and internal policy of your institution.

Payment by students or the home university can be made via wire transfers or checks payable to a Trust Account established by G-MEO at a major banking institution headquartered in NYC. Detailed payment information will be provided in the G-MEO invoices.
