

G-MEO

Study Abroad in Taiwan

SPRING / FALL

Study abroad for one semester or academic year with one of the top-quality universities in Taipei. Taipei has it all – delicious food, plenty of activities and a rich culture – which is why it has become a top destination for world travelers and study abroad students.

Fit your Academic Path

G-MEO programs offer a wide range of courses taught in English so you can stay on track to graduation.

Earn credits toward your degree while learning Mandarin Chinese as an option.

Gain Cultural Experience

Taiwan is an eclectic mix of Chinese, Japanese and Western cultures, beautifully combining tradition and modernity.

Opportunities for outdoor activities and cultural excursions.

STUDY ABROAD IN TAIWAN

SPRING / FALL

MING CHUAN UNIVERSITY

Ming Chuan University (MCU) is a well-known, internationally focused university located in Taiwan. It was the first university in Taiwan to offer courses completely taught in English, and the first university in Asia to be accredited by the Middle States Commission of Higher Education, U.S.A.. As one of Taiwan's most respected institutions, it was listed in the Top 10 "Preferred universities" among major international corporations in Taiwan.

ACADEMICS

All programs are offered completely in English through MCU's International College. During the semester, each student can take up to 25 school credit hours maximum. Final course selection is completed upon arrival to campus, and each student can select their own courses. Chinese language credits are optional.

If students have no intention for credit bearing program, the Mandarin Studies & Culture Center offers non-credit language classes.

EXCURSIONS

Near our Taipei and Taoyuan campuses, you can visit the National Palace Museum, home to perhaps the finest collection of Chinese art in the world. You can see atmospheric old streets and temples in towns like Lugang and Tainan. Opportunities for outdoor activities include visits to Taroko National Park, a narrow ravine created by a river which has cut through the mountains, Yu Mountain National Park, which has the highest peak in Northeast Asia, Yangming Mountain National Park, with volcanic craters and lakes, Kending National Park, Taiwan's tropical area, and Dongsha Marine National Park, with white coral and shell beaches.
